

The background of the slide features a photograph of two individuals in a professional setting. On the left, a woman with glasses and a striped shirt is seen in profile, looking towards the right. In the foreground on the left, the back of another person's head and shoulders are visible, also looking in the same direction. They are seated at a desk with multiple laptops. One laptop on the right shows a colorful interface, possibly a project management tool. The overall lighting is soft and focused on the workspace.

Halaman Utama Jira

The screenshot displays the Jira Software interface. At the top, the navigation bar includes 'Jira Software', 'Your work', 'Projects' (selected), 'Filters', 'Dashboards', 'People', 'Apps', and a 'Create' button. A search bar and user profile icon are on the right. The left sidebar lists project navigation options: 'OnBanA' (Classic software project), 'OBN board' (Board), 'Roadmap', 'Backlog', 'Active sprints' (highlighted), 'Reports', 'Issues', 'Components', 'Code', 'Releases', and 'Project pages'. The main content area shows a banner for a free trial, the breadcrumb 'Projects / OnBanA / OBN board', and the 'Active sprints' section. It includes a search bar, a user profile icon labeled 'KP', and filters for 'Only My Issues' and 'Recently Updated'. Below these are columns for 'TO DO', 'IN PROGRESS', and 'DONE'. A 'Complete sprint' button and a share icon are also present. At the bottom, there's a graphic of Jira boards. On the right, a 'Jira Quickstart' sidebar is open, showing a progress bar and a list of steps: 'Project created' and 'Create an issue'. The 'Create an issue' step is expanded, showing an 'Issue' card and a description: 'Issues are individual pieces of work that you assign to teammates. Issues can be tasks or stories.' It includes buttons for 'Show me' and 'View issue tutorial', and a 'Cancel Quickstart' link at the bottom.
